

**Let the leafy suburbs of Eltham and Warrandyte rest your soul!**

**Friday 15 September 2017**

The outing will start with lunch at the Eltham Hotel, followed by a visit to Monsalvat, Australia's oldest continuously active artist community. Enjoy the front gallery and marvel at its complex of buildings, a fusion of European architecture and Australian ingenuity for recycling.

Have a pit stop at the Boulevard, Monsalvat's beautiful café for some coffee and cake before we embark onto Warrandyte village, resting on the banks of the Yarra River and surrounded by a State Park. Warrandyte Village also offers over 90 shops, waiting to be explored.
